WHY CHOOSE US?

Manufacturer or Trading Company?

We have a factory located in Changsha to manufacture the hardware of the fountain, including nozzles, lamps and a center for developing the control hardware and software.

Price Compatibility

We do not claim. We ask you to source other suppliers and in the end give us a call. You won't lose anything if not gained.

Quality Features and After Sales Service

Himalaya has got 13 patents, 2 for new swinging mechanism, and 5 for fountain control innovation. We have also authorship for our DMX control-software, registered at China Bureau of Authorship and Patents.

Products Originality and Quality

Himalaya Company is a sponsor for the Optical-electron Lab, and has made a contract with the University of Changsha for R&D of the latest technology in musical fountain field. All our goods are be inspected by China Quality Bureau.

Safety of Your Money

We are A (Top Rank) credit Company at Bank of China, and have got a $500,000 guarantee from Alibaba company for order conformity.

Company Credibility and Capability

Himalaya has built fountains in more than 30 countries around the world, and reference is easily available from customers across different areas.

COMPANY PROFILE

Himalaya Music Fountain

HISTORY
Founded in Year of 2010

CORE BRAND
Comprehensive water show brand Water Show Fountain
High-end musical water show brand Dancing Water Fountain

GLOBAL PRESENCE
Successfully Executed Projects in more than **30 Countries**

HORNOR
ISO certified company
National high-tech enterprise
13 National Patents and 2 Authorship for Software

GLOBAL PRESENCE
Successfully Executed **100+ Fountain Projects** in more than **38** Countries

RESEARCH QUALIFICATION
Hunan municipal research institution (provincial level)

DESIGN QUALIFICATION
Special-class certificate of water fountain design. Company having most advance 3D real time effects displaying software programming capability

CONSTRUCTION QUALIFICATION
Class II mechanical & electrical contracting qualification Certificate

SERVICE SYSTEM / PROCESS

Himalaya Music Fountain

INDUSTRY FIRST-WHOLE CHAIN CULTURAL TOURISM WATER SHOW SERVICE SYSTEM

The company has built three professional teams of creativity & conceptual Design, technology research and development and engineering with unified operating standards, unified service standards, seamless work interface, which can provide customers with high-quality turnkey project work of Musical Fountain water show.

CORE TEAM

Zhou Yong

Managing Director, Chief Engineer

Education Background: Zhejiang University - Master's degree, Economics, Central South University - Bachelor's degree, English Language and Literature/Letters

Experience : 20 Years,

Wu Liang Ping

Senior Mechanic, Site Installation Director

Professional skills: many years experiences of oversea fountain installation, can handle any problems flexibly on site.

Experience : 16 Years,

Mao Xian Bai

Senior Engineer, Technical Director

Education Background: Central South University - Graduate's degree, electronics, Huazhong University of Science and Technology - Doctor's degree, electronics

Experience : 20 Years,

Zhao Hai Xiang

Senior Engineer, Installation Director

Professional skills: many years experiences of oversea fountain installation, can handle any problems flexibly on site.

Experience : 10 Years,

Li Zhi You

Senior Engineer, Installation Director

Education Background: Hunan Normal University - Doctor's degree, Mathematical Software

Experience : 10 Years,

Ma Long Xuan

Senior Engineer, Project

Education Background: Shenyang University of Technology - mechanical manufacturing and automation, bachelor's degree

Experience : 15 Years,
